

Welcome to the academic year of 2019 – 2020. I hope that you all had an enjoyable, restful and relaxing summer break with your children.

As you may have noticed we had lots of work done over the break:

- The main playground was resurfaced which hopefully will reduce the number of grazed knees and elbows.
- Mr. Darren Francois changed our classroom lighting, so when it gets darker we will have a better quality of light to work under.
- Our amazing cleaning team has everything shiny and sparkling ready for our return.

Unfortunately, Mrs. Ray will not be returning to Chase Side after the break. She was our Parent Support Advisor, working at Highlands in the morning and with us in the afternoons. Early on in the holiday she secured a position working fulltime at an Enfield health care clinic where she will be supporting families with a range of issues. I'm sure you will join us in thanking her for all her hard work and wishing her all the best in her new role.

It was lovely to see so many smiley faces in smart looking uniforms this morning, we hope that you were all able to find your new classes, ready for collection this afternoon you need to know that:
Collection from the lower playground:

- Sharman
- Newton
- Year 2

Collection from the main playground:

- Year 1
- Year 3
- Year 5
- Grylls
- Attenborough

There will be labels up in the playground for the next week while we all get used to the new areas.

Playground Etiquette

Just a few reminders:

- Children need to be supervised in the playground, only Y6 children who have completed the test of 12 can wait in the playground on their own.
- No dogs, smoking or spitting in the playground, if you or a child needs to use the toilet please come to the office to ask.
- Bikes and scooters need to be pushed from the gate, to reduce the risk of accidents in the playground.

Toys and Pencil Cases

Please remember that to reduce competition between the children we ask that they do not bring toys, pencils cases or other items into school. If they want to bring a reading book from home it needs to be clearly labelled.

Concerns

If you have any concerns about your child, please speak to your class teacher and then if you feel that your concern has not been resolved a member of the Senior Leadership team.

Do not approach other parents about concerns involving their children. Please see the home school agreement for other expectations.
