

As our sports clubs start again this week it will good to see the children being active out of my window.

If you are wondering about Home Learning Club, we have decided that shifting it to afterschool for a longer period of time would be a more effect use of the children's time. Now that the sports clubs are set up we will be choosing a day and sending out a letter this week inviting everyone from Year 2 to Year 6 to join.

Medical Appointments

Please can all parents arrange any medical appointments for after 3.15 or in the school holidays where possible?

This avoids lessons being disturbed by children going in and out of classes.

Absence Reporting

When your child is absent from school please can you call the office on 0208 363 1120 option 1 and leave a message telling us the name, class and a brief reason for absence. Thank you

Dress up dates.

This year we will be encouraging the children to dress up on the following dates, themes to follow.

- 22nd November Children in Need
- 18th December Christmas parties.
- 6th March World Book day
- 13th March Sport Relief

Sports News

Thank you to everyone that returned their club choice letter. We had an overwhelming amount of children applying for clubs. We are pleased to announce that all the children have a place in all the clubs they showed an interest in.

Please check your email letters to confirm which dates your child will attend the clubs.

FoCS Update

The next Happy Bag collection will take place on 1st October. Please can you read through the Happy Bag flyer before adding donations as unfortunately we had a number of items rejected last time. These included stained and ripped clothing and a number of odd shoes. This sadly, resulted in less funds raised for the school.

We would also welcome any donations of good condition used uniform which is free of rips and stains for our next uniform sale. Please leave these at the office.

We are relaunching our very popular Stay and Play sessions.

Come and join our Stay and Play for babies/preschool children every Thursday 9.00 - 10.30 in the Chill Out Zone run by Mrs Lewis.

This is also our parents drop in session, if you have any queries or questions.

We look forward to seeing you for our first session of the year on

Thursday 19th September 2019 at 9.00am in the Chill Out Zone.

Spanish News

In Year 3 we will continue to learn different flavours of ice creams. We will draw and write them in our Spanish books. Please ask your children which flavours they can remember!

In Year 5 we will continue learning all the planets of the solar system. We will learn to dance to our song about planets. We will draw and label the planets in our Spanish books.

In Year 6 we will continue to talk and write about where we live. We will use atlases to add more cities onto our maps of Spain. We will talk to a partner, asking where they live and give them information about where we live.

Term Dates 2019/2020

Autumn Term

3rd September - 19th December Half term 21st to 25th October
