Home Learning: Marshall Autumn Term 2 2026

Choose your home learning from the menu below:

The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt **at least one** **'EXTRA HOT'** task!

Extra Hot	**Research and create your own annotated picture of a healthy meal. Think about which foods make a healthy meal and explain why you have chosen the different foods.**	**Build or create your own artwork about Antarctica – be inventive!**	**Research the invention of the wristwatch. How did it come about? Who first produced them? What benefits do these have for us today? How has the wristwatch changed again?**
Hot	**Come up with your own idea for a Fable. Draw and illustrate your short story.**	**Write about at least two important relationships in your life. Think about why they are so important to you and the impact they have on your life.**	**Create your own 3-, 4- and 8-times table charts. Can you also create a division table for these facts?**
Mild	**Make your own Maths Vocabulary poster based the learning we've done so far this term.**	**Design your own fictional book character and describe their personality.**	**Research about Antarctica. List 10 facts.**
Extra Mild	**Design and make your own themed 2026 calendar.**	**Write or learn a poem about a season of your choice. Learn it off by heart, to perform in front of the class.**	**Write a list of three New Year's Resolutions that describe how you could make a difference towards improving your learning.**
