Home Learning: Year 6 Autumn Term 2 2026

Choose your home learning from the menu below:

The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt **at least one 'EXTRA HOT'** task!

Extra Hot	Write a short persuasive speech encouraging people to improve your local community. In what ways could people make a difference? ENGLISH	Design and make a sculpture from reused materials. Sketch your idea first, label the textures and joining methods, then evaluate what worked well and what you would improve ART	Create a mixture containing sand, salt and small stones. Plan a step-by-step method to separate all three. Explain which methods you would use and why. SCIENCE	Choose 5 objects around your home and measure their length in centimetres. Convert each measurement into millimetres and metres where appropriate. MATHS
Hot	Use a census or reliable history source to compare life in 1921 with life today. Make a table with 4 differences, such as jobs, household size, transport or homes. What might explain one change? HISTORY	Design a 6-question quiz about online safety or a topic you have studied. Include a mixture of question types. COMPUTING	Choose a local community group or public service. Create a poster explaining what it does, who it helps and how it makes a difference. Include one way people can support it. PSHE	Create a maths mystery using multi-step calculations. MATHS
Mild	Create a short gymnastics sequence of 4 movements. Include a safe starting and finishing position. PE	Write a short paragraph about a memorable day. Include commas in a list, brackets or dashes for extra information where appropriate. Highlight each punctuation choice. SPaG	Draw a labelled diagram showing how you could separate a mixture of sand and water using filtering. SCIENCE	Create a colourful poster on one of the Five Pillars of Islam. Explain what it involves and why it is important to Muslims. RE
Extra Mild	Choose 5 everyday items made from everyday materials. Sort them in different categories e.g flexible/not flexible or magnetic/not magnetic. Draw your groups and explain your choices. SCIENCE	Ask an adult what information a census might collect about people in your home. Make a pretend mini-census with 5 questions. HISTORY	Find 5 different textures around your home. Label the materials and describe how each texture might be used in a sculpture ART	Find 5 adverbs in a book of your choice. Try and put those words into your own sentences. SPaG
