Bullying is 'behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally'. (DfE "Preventing and Tracking Bullying", October 2014)

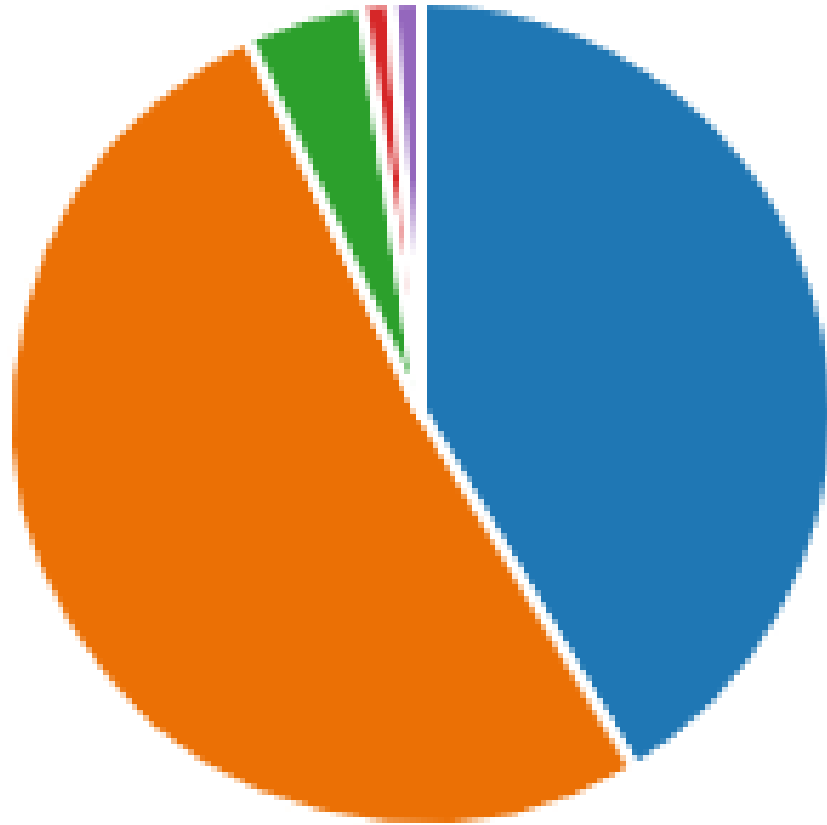

Since the last Ofsted inspection 2018 we have only had one reported case and after full investigation it was unfounded. All children involved were dealt with in line with the Behaviour Policy expectations.

The school makes me aware of what my child will learn during the year.

Comments...

- ▶ The majority of responses in this section were positive and we will be using them as testimonials on our new website. Thank you for taking the time to write these.
- ▶ Concerns raised which we will consider appropriately include:
 - ▶ Revisiting our behavior policy related to reducing low level disruptive behaviour and the very rare serious behaviour incidents.
 - ▶ Consistently challenging the children in all subjects not just the core.
 - ▶ Hopefully being able to reinstate the wider range of clubs after Covid restrictions are lifted.
 - ▶ Hopefully being able to reinstate the personal contact with the class teachers (if Covid restrictions allow), we were able to offer telephone parent's consultations in the autumn, you had instant access to the teachers via email during any remote learning periods and we will be having a further offer of telephone consultation in the Summer term.
