EXTRA MILD

ENGLISH - Write a paragraph explaining how you get from your house to school including directions. Include imperative verbs. Then draw a map including the key landmarks on the route.	ENGLISH - Choose and read a traditional tale similar to The Three Little Pigs. Can you write or create a comic strip for an alternative ending?	SCIENCE – Create a fact file on different types of fossils that have been found. You could also include a description of how fossils are formed.	MATHS - Create a maths board game based on the place value and number learning from the term.
RE - Create an information poster about Christianity. Include important people, buildings and celebrations too.	PSHE - Create a poster informing our class of the new rules and routines in Year 3.	SCIENCE - Research a scientist of your choice. Create and present a PowerPoint presentation to show your findings (can be emailed to share in class).	ENGLISH - Write a Tanka or Haiku poem. Remember the structure and syllable rule!
SCIENCE – find and describe different types of rocks. You could take photographs or try sketching the rocks and how they appear different from each other.	MATHS - Practise addition and subtraction within 50. Can you write the inverse number sentence? e.g. $20 + 15 = 35$ $35 - 15 = 20$	READING/ART - Can you illustrate your favourite scene from the book you are reading? Write a caption to go with it.	ICT - Design an e-safety poster. Include tips for staying safe on the internet and consider how much time you think is suitable for children to spend playing computer games.
HISTORY – Research who the Amesbury Archer was. List five interesting facts and present these to your class.	D&T – Build a small 3D model of your house or a small building using paper and cardboard	MATHS - Create your own times table song/rap.	PSHE/ART -Draw the following emotions as a facial expression: Happy Upset Angry Worried Surprised
