

Year 5 Home Learning Autumn 1

Choose your home learning from the menu below:

The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one 'EXTRA HOT' task!

<p>DT: PurpleMash Complete the Set 2Do on components and symbols. Describe each electrical component found in a circuit.</p>	<p>Science: Choose 2 different living things that can be classified in different ways. Create a poster to explain the similarities and difference between them.</p>	<p>English: Select a chapter/ few pages of a book you are reading. Write a detailed prediction for the next chapter/ few pages. If you have finished the book, can you write the beginning of a sequel?</p>	<p>Geography: Compare 2 different Alps in Europe. Compare their similarities and differences.</p>
<p>Maths: Create a game or maths investigation for the class to solve. Eg. http://nrich.maths.org/5468</p>	<p>Science: Create a set of at least 5 yes or no questions to help sort materials.</p>	<p>Geography: Research on of the famous Alps. Create a poster, leaflet or PowerPoint to share your research.</p>	<p>English: Write your own dream giver story, where a child is given a good or bad dream. Be as imaginative as possible.</p>
<p>English: Research Victorian workhouses. Describe what they were like using expanded noun phrases, fronted adverbials and extended vocabulary</p>	<p>RE Ask family and friends why they do or don't believe in God. Record these findings any way you want.</p>	<p>Maths Create your own interactive place value poster (up to 1 million) to display in the classroom</p>	<p>PSHE: Create a poster about what makes a good team, include the school values!</p>
<p>Computing: Design an E-safety poster. For display.</p>	<p>Science: Find and create a list of non-flowering plants. You can include photos or drawings if you wish!</p>	<p>PE: Link 5 dance moves together to create a dance to perform in front of the class.</p>	<p>PSHE: Write down 5 ways that you could make a positive contribution to your community (this could be at school, at home, a group you attend etc.) Think about the things you can do to help others.</p>
