

Home Learning: Brunel Autumn Term 2 2025

Choose your home learning from the menu below:
 The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

Write a persuasive letter to Father Christmas, explaining how good you have been this year and why he should deliver presents to you.	Explain the importance of exercise, right amounts of different types of food and hygiene for humans.	Make a personal timeline from when you were born until now (2025). Can you include special events like birthdays, memorable days out?	Create your own board game using addition and subtraction skills. For example, $51+3$ or $69 - 36$.
Practice joining fabrics using running stitch (adult supervision needed).	Design a poster to explain the basic needs that animals and humans need to survive. For Twitter	Keep a food diary over a week to see if you are eating a variety of different foods.	Write a setting description about the Polar Express.
Create your own shop at home and practise making amounts and finding change.	Use objects around your home to make different arrays to show multiplication facts.	Write some rules to help children make the right choices in school.	Can you create your own repeating dance phrase? Think about how many steps, directions in your phrase. Can you put your phrase to Salsa music?
Practise telling the time to o'clock, half past, quarter past and quarter to times.	Orally retell the story of Little Red using conjunctions to link your ideas.	Retell the story of Easter or Christmas and explain why Jesus is important to Christians.	Identify what things keep us healthy and hygienic.
