

# Home Learning: Year 3 Autumn Term 2 2025

**Choose your home learning from the menu below:**

The **Challenge-o-meter** suggests the difficulty or challenge the home-learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

<p>Research and create your own annotated picture of a healthy meal. Think about which foods make a healthy meal and explain why you have chosen the different foods.</p>	<p>Build or create your own model of a volcano or an earthquake – be inventive!</p>	<p>Research the invention of the wristwatch. How did it come about? Who first produced them? What benefits do these have for us today? How has the wristwatch changed again?</p>	<p>Create an informative poster about Hinduism.</p>
<p>Come up with your own idea for a Fable. Draw and illustrate your short story.</p>	<p>Write about at least two important relationships in your life. Think about why they are so important to you and the impact they have on your life.</p>	<p>Create your own 3-, 4- and 8-times table charts. Can you also create a division table for these facts?</p>	<p>Write out a list of instruction, teaching someone how to take care of their teeth. This could be presented as a poster or using digital technology.</p>
<p>Make your own Maths Vocabulary poster based the learning we've done so far this term.</p>	<p>Design your own fictional book character and describe their personality.</p>	<p>Research a famous earthquake that has affected a country in the world. List 10 facts about this event.</p>	<p>Create an acrostic poem about light. Can you use alliteration in some of your sentences?</p>
<p>Design and make your own themed 2026 calendar.</p>	<p>Write or learn a poem about a season of your choice. Learn it off by heart, to perform in front of the class.</p>	<p>Write a list of three New Year's Resolutions that describe how you could make a difference towards improving your learning.</p>	<p>Make a Christmas decoration of your choice.</p>

**EXTRA MILD**
