

# Home Learning: Year 5 Spring Term 1 2026

*Choose your home learning from the menu below:*  
 The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

Extra Hot	Research and create a fact file / poster about a desert of your choice!	Create a fact file or PowerPoint presentation about one of the planets in our solar system.	Re-write The Highwayman as a comic book strip. Use powerful and adventurous vocabulary to make it interesting to the reader.	Create a shop price list with prices displayed. Create a different list with prices reduced at different fractions off.
Hot	Research the life of a famous poet. You could present this as a factsheet, using PowerPoint or in another creative way.	Explain why rules matter and the importance of rules at school and at home.	Create your own word problems that involve having to multiply and divide up to 4 digit numbers.	Create questions that you would ask a character from The Highway Man. In role, try to answer these questions.
Mild	Choose a living thing (plant or animal) to draw a life cycle for, remember to use arrows and include all stages of growth.	Create a solar system! This can be a 3D model or poster.	Recite and perform The Highwayman - in your own words if you wish...	Have a look at greeting cards in the shops if you can, and think about what features make an eye-catching greeting card. Design your own one, using your research to ensure it is appealing! For X / Display
Extra Mild	Write a list of five things that you have done in the week to help someone else.	Draw a 'good neighbour' and describe the qualities needed to be one.	Write a list of things that you love about yourself; this can be about both personality and appearance.	Create a sequence of gymnastic movements at home and write it down in order to perform in PE lessons.
