

Home Learning: Year 1/2 Spring Term 2 2026

Choose your home learning from the menu below:
 The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

<p>Write a letter to a person of your choice.</p>	<p>Find out about some plants (you could visit the library or do some research online). Find out what they are called and what climate they prefer or country they grow in. Create an information sheet to share the information.</p>	<p>Research different historical toys and write an explanation about how the toy works.</p>	<p>Go on a hunt for sticks/ pebbles and create a tally chart to represent your findings.</p>
<p>Go on a plant hunt and document the different plants you can find. This could be as a poster with cuttings, pictures or photos. How many different plants can you identify?</p>	<p>Practice different ways of halving an object or a shape. Making sure it is equal parts.</p>	<p>Research what seeds need to germinate.</p>	<p>Create your own sculpture of your choice using only paper. Think of the different techniques you have learnt in Art previously.</p>
<p>Practice writing expanded noun phrases e.g., the yummy, cold ice-cream.</p>	<p>Make a list of 3 different settings and draw a picture of your favourite setting. E.g., the beach, the woods, an island, etc.</p>	<p>Draw shapes that have the vertical line of symmetry.</p> <div style="text-align: center;"> </div>	<p>Create a poster on your own made-up character - drawing a picture and then write a character description.</p>
<p>Go on a shape hunt around your home and list all the 2D and 3D shapes you see.</p>	<p>Read your favourite book at home and make a list of adjectives you can find.</p>	<p>Can you practice how to spell the months of the years.</p>	<p>Draw a picture of a plant and label the different parts.</p>
