

# Home Learning: Year 5 Spring Term 2 2026

*Choose your home learning from the menu below:*  
 The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

<b>Extra Hot</b>	Science: Complete the how light travels 2Do on Purple mash	Maths: Create a shop price list with prices displayed. Create a different list with prices reduced at different fractions and percentages off.	English/PSHE: Write a persuasive letter to someone considering trying illegal drugs. Warn them about the dangers and the consequences of their choice and present valid arguments to support your opinion.	History: Create a poster about the Vikings. Include facts about how they lived, what they achieved and when they came to Britain
<b>Hot</b>	Maths: Create your own maths problem investigation for the class to solve involving fractions, decimals and percentages.	PSHE: Create a poster about how we can protect the planet.	English: Write a Newspaper report about the devastating effects of the war happening in Russia and Ukraine and what you think the world should do about it.	Science: As part of Science week, research your favourite scientist and create a presentation about them to present in front of the class.
<b>Mild</b>	PE: Send us pictures of yourself creating different types of bridges with your body. Use household objects to support you and get creative! We can use your pictures in our PE lessons as inspiration for our sequences.	History- Purple Mash: Complete one of the activities/writing projects in the Vikings topic folder.	PSHE: List the 5 most important laws to follow in your opinion. Be ready to explain why.	English: Create a fact file of your favourite author. You can include information about their life, work, achievements and your favourite book of theirs.
<b>Extra Mild</b>	RE: Create an explanation about the benefit of forgiveness.	English: Design your ideal costume for World Book Day! Explain where you got your inspiration from and what materials will be needed for the costume. Draw a diagram and label it.	PE: Create your own warm up to express yourself through dance, to share in our dance lessons	Art: Create your own self portrait using different media. This could be a collage, painting, drawing or a combination of two.
