

# Home Learning: Year 6 Spring Term 2 2026

*Choose your home learning from the menu below:*

The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one 'EXTRA HOT' task!

<p>Write a review of a favourite song and analyse the lyrics and their meaning.</p>	<p>Create a collage self-portrait.</p>	<p>Conduct an experiment to show how light travels.</p>	<p>Record some of the offers you see in the shops/online shopping - which one is the best value? - use maths to explain your reasons.</p>
<p>Create a fact-file on a specific Viking.</p>	<p>Research the problems facing the people of the desert. Can you think how we might be able to protect deserts for the future?</p>	<p>Create a fun way of teaching how to convert between different units of measurement. E.g. from Kg to g, mm to m.</p>	<p>Create a guide on how to write a blog.</p>
<p>Decide which Easter Egg is the best! Write a letter to persuade me to buy one for every child in your class.</p>	<p>Make a poster to explain the difference between active and passive voice. Make them creative!</p>	<p>Design a cathedral that embodies art and architecture.</p>	<p>Make a list of modal verbs and use them in sentences.</p>
<p>Write about an area of maths you found challenging but have now mastered and explain how you did it.</p>	<p>If you had to create the ideal pet - what would it look like? What characteristics would it have?</p>	<p>Draw a comic strip to show which illustrates the use of one of our school values.</p>	<p>Write a message that your local MP about something you like about Enfield and one thing you would improve.</p>
