

Home Learning: Year 6 Summer Term 1 2025

Choose your home learning from the menu below:
 The **Challenge-o-meter** suggests the difficulty or challenge the home learning may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

Extra Hot	Research the importance of Fairtrade and produce an informative pamphlet.	Build a model of a church. Be creative and use any resources you like!	Write a detailed recount of the Easter Story.	Research and create a week's timetable for a character of your choice either from books or film. What might they do from day to day/ hour to hour or from one minute to the next?!
Hot	Find a recipe and make or bake it. Choose an interesting ingredient and create a fact file about where it came from/how it was grown or harvested.	Draw a detailed diagram of light and how we see.	Make a net of a 3D shape of your choice. Be adventurous!	Create a guide on how to measure angles.
Mild	Make a list of adverbials of time, reason, manner and place. Then add them in to a sentence about Charles Darwin to give extra information.	Write a short biography about a famous mathematician and the impact they've had on our lives.	Create a fun way of teaching area, perimeter and volume.	Create an informative display all about the history of transport in Enfield.
Extra Mild	Find five new words in the dictionary. Try to use them in sentences that show their meaning.	Make a poster to explain the rules of an existing team game. Include the rules and explain the roles of each player.	Write a short review of the short film 'Rock, Paper, Scissors'.	Make a list of all the different punctuation you can use. Include examples of how you can use each one.
