Head Teacher: Miss Melanie Scull

Friday September 18th 2026

Week 2,

It was so good to see when walking around the school this week with our Governors, the number of hard-working children we have in our classes. In our Values Assemblies so far, we have given out numerous certificates for children who demonstrated our value of Resilience; getting down to their work even if they found it tricky!

Ocean Maths is back, starting with Year 6. Thank you to the parents who we had join us this week for the sessions. Next week is the turn of Year 5 with Turing on Tuesday 9.10am and Garrett on Thursday 9.10am.

On Thursday 1st October, it is the individual (and sibling) school photographs. Please ensure that your children are looking smart in their normal school uniform (NOT PE kit even if it is their PE day). Siblings who are not of school age and who you would like to have a photo taken with school siblings should come to the bottom gate at 8.30am in order to have this opportunity.

Today we have launched ourselves on Instagram "chasesideprimary" so that next week we will be able to share the exciting activities that Year 6 will be up to either on School Journey or at the Staycation. We will be using this throughout the year to share some of our exciting events. So, make sure that you follow us.

If you have a child from Reception to Year 6 there is no need for you to add money on to your Parentpay account for meals, all of your children's meals are free.

A polite reminder to all of our parents; we are still operating a one-way system at drop-off and collection time. This has been put in place for the safety of your children. Please enter via the bottom gate (closest to Chase Side) and exit via the gate where the office is situated. Please make sure that your children are supervised carefully as we have had some of them running off on the street and then you have not been able to find them.

Lastly, all of the staff at Chase Side would like to extend a warm welcome to all of the children who have started here in the last two weeks, whether it be those who have started in Nursery and Reception, or those who are new to the school in other year groups. We hope your time here is fulfilling and enjoyable. Wishing you all a wonderful weekend; see you on Monday morning.

Stronger Together,

Miss Scull
