Friday 23<sup>rd</sup> January 2026

Week 18,

Another week comes to an end and once again we have been busy here at Chase Side – we've had to be in order to keep us all dry and warm!!! On that note, as the weather continues to be erratic, please remember to send your children in wearing appropriate clothing for the conditions.

Year 5 had their Ocean Math's sessions this week which went extremely well, it was lovely to see so many of you. Next week we have Ocean Math's sessions for Turing at 9.10am on Tuesday 27th January and Garrett on 29th January at the same time. It would be great to see as many parents there as possible.

Year 3 have been busy getting ready for their Assembly next Friday. Please check your class email for more details.

Dates for the whole year have been on the School Website since the summer last year – if you want to link your phone so that everything shows up in your calendar, please use this link and follow the instructions.

This week we have had our Relationships and Sex Education sessions that have all gone really well, remember that we keep all the information about these sessions on our website (within the Parent Workshop Presentation section) all year round so that you can check what we cover if your child surprises you with an unexpected question.

Attached to this newsletter is details of a range of parenting courses for you to access:

- Building Stronger Relationships for Father's and Male Care givers.
- Circle of Secure Parent for children 4 months to 5 years.
- Strengthening Families from the Turkish Community.
