Dear Parents and Carers,

Introducing Our New Parent Governors

We are pleased to announce the appointment of new parent governors to the Chase Side Primary School governing body. Parent governors play a vital role in shaping the strategic direction of our school, supporting the leadership team, and ensuring that the voices of our families are represented in decision-making.

Our new parent governors bring a range of skills and experiences that will help us continue to develop a welcoming, inclusive, and positive learning environment for all children. They are committed to upholding our shared values of kindness, respect, friendship, honesty, and resilience.

We warmly welcome:

Jeremy Bock (children in Y4 and Y1)

Saira McKechnie (child in Y2)

As parent governors, they will work alongside other members of the governing body to oversee the school's progress, support school improvement priorities, and ensure that every child at Chase Side Primary benefits from a high-quality education.

We encourage you to engage with our parent governors and share your views and ideas about how we can make our school an even better place for our children to learn and grow.

Thank you for your ongoing support and partnership.

Stronger Together,

Melanie Scull
