Week 12,

This Monday sees the start of December and I'm sure that many of you will be thinking about the run up to the festive period and the busy few weeks ahead.

Tomorrow we have the FOCS Christmas Fayre here at Chase Side from 3.20pm, as tomorrow will be really busy with Christmas Fayre related jobs I am writing this today!

We are trialing this time (rather than our usual Saturday Fayre) as we have not been able to get enough parent volunteers to support the event. It is a wonderful event to walk around with your children but, without support from parent volunteers and staff it is not something we would be able to continue with. If you can spare an hour supporting tomorrow from 3.00 – 6.00 (Fayre times 3.20 – 5.30pm) someone from FOCS will be on the top gate tomorrow morning to collect details and allocate you to stalls.

As the end of term approaches, we have got a lot of Christmassy events happening for the children. Please find attached an updated list of dates that are extremely important; you do not want to miss a deadline for any of the events so please put it up somewhere you can keep a close eye on it.

School run clubs will be stopping at the end of next week (last session Friday 5<sup>th</sup> December) as we have the FOCS Christmas Disco booked in for the following week.

Next week on Friday, we are inviting the Early Years parents in to see the wonderful work that the children have done so far this term. All of the children have 'Special Folders' which will be on display and the parents can look at their work with their children who can explain what they have been up to! **Morning Nursery have a session at 11am and Fulltime Nursery and Reception have a session at 2.45pm.**

We will be having our final Christmas Coffee Morning on Friday 5<sup>th</sup> December at 9.00am in the Winter Hall. It would be great to see as many of you as possible so join us for a cuppa and maybe even a festive treat!

I hope to see lots of you at The Christmas Fayre tomorrow, if not have a lovely weekend, whatever it is you may be doing... It looks like it might be getting a little warmer, so let's enjoy it while it lasts!

Stronger Together,

Miss Scull
