Friday 4<sup>th</sup> July 2025

Week 37,

Well, we managed to survive the hottest days of the year so far at the start of this week! It has been very hot at school and we have been reminding the children to try their best to stay cool in the shade, drink plenty of water and make sure that they are wearing their hats when outside. It is predicted to get slightly cooler next week but we would still recommend drinking lots of water and trying to keep as cool as possible.

As we approach the end of the academic year, there will be lots of 'lasts' for our current year 6 cohort; and today they are currently enjoying their last Disco at Chase Side. I certainly hope that their dancing skills improve before they move on to Secondary School in September! In all seriousness, we hope that they have a fantastic time!

Staying with Year 6, they have been working extremely hard on their production for the duration of the week ready to perform it to their parents on Tuesday. We are really looking forward to seeing their amazing acting and singing skills! There are 2 performances to parents; 1.30pm and 6pm on Tuesday 8<sup>th</sup> July. Please be aware that you will only be admitted if you have a ticket for the correct performance as there are no places available for audience members without tickets.

Some dates for your diary:

- Tuesday 8<sup>th</sup> July at 1.30pm & 6pm: Year 6 End of Year Production; you must have a ticket for the correct performance to be admitted.
- Monday 14<sup>th</sup> July: Meet the Teacher.
- Thursday 17<sup>th</sup> July: Last day for the Nursery children.
- Friday 18<sup>th</sup> July: Year 6 Awards Assembly; please note this is for the children only.
- Friday 18<sup>th</sup> July: Final day of the Academic Year; school will close at 2pm.

Last week we had a complaint about parents parking blocking the drive of a house, making it impossible for the resident to get their car out. It has been a long time since we have had a complaint of this nature and I ask that you are all considerate when it comes to our local residents.

I hope that you all have a great weekend and enjoy whatever it is you may be doing! We are getting closer to the finish line but still have lots to do; let's keep going and enjoy the final days of the year!

Stronger together,

Mr Hitchens
