Friday, June 13<sup>th</sup> 2025

Week 34,

This week has been another busy testing week, Year 4 have now completed their online Multiplications Test, Year 2 have finished their SATs test and Year 1 / 2 have been completing their Phonics Screen checks. As always, we are proud of all of your children and know that they have tried their hardest with whatever work we have put in front of them.

We had our last Ocean Math's sessions of the year this week, thank you to all the Year 1 parents that attended making it one of the best attended sessions of the year.

Ranger Stu has just left with all of his creatures (we double checked to make sure), the Year 1 children had a wonderful time looking at and if they were brave holding the animals. Year 3 enjoyed their outing to Forty Hall where they were tracked around the grounds by 'Killer Wasps' (Mr. Davies sense of humour). Information about trips in other year groups has been sent out, please make sure you complete the forms in time.

This morning we had guest visitors from My/Me (CAMHs) at our weekly Coffee Morning, they were able to explain the processes involved with their work in school and give other advice.

Next week is Sports Week (check your individual class emails for more specific information for your child), as it will be an active week, (if possible) your child can wear **PE kit (school colours)** everyday if they want to. We have a range of sports teams visiting the school to provide taster sessions and we also have the big Sports Day event (weather permitting) on Wednesday 18<sup>th</sup> June, Key Stage 1 9.30am, Key Stage 2 1.45pm at Holtwhites Cricket Club. Reception and Nursery will be having their Sports Day activities on Monday 23<sup>rd</sup> June and Tuesday 24<sup>th</sup> June (please check your class-based emails for more details).

This week we sent the link to book time slots for the final parent's consultation of the year (25<sup>th</sup> and 26<sup>th</sup> June), this is the same booking system that we have used for many years but they have made some 'upgrade changes', we are aware that there have been some issues but we have now have bookings for every class so know that the system is active for all.

Our Summer Fair is next Saturday 21<sup>st</sup> June, each class has its own stall to organize, please see your class teachers to volunteer for a short session supporting your classes stall (let's see which stalls have the most support). Thank you for all of your Rainbow Day donations – it was difficult to spot the staff today with all of the children wearing different colours.

At the moment we have Reception children completing Father's Day crafts, I hope all of the fathers out there are treated well on Sunday and that everyone has a restful weekend!

Stronger Together,

Melanie Scull
