

Head Teacher: Miss Melanie Scull

Friday, May 9th 2025

Week 30,

How can a week that has fewer working days seem so long? The answer to that is simple we cram so much into it. This week we have finished our booster sessions for Year 6, had Ocean Maths sessions for Year 4, Year 4 are currently putting up their tents for tonight's sleepover, Nursery and Reception are enjoy the 'Little City' experience (thank you to FOCS for paying for this) and we all celebrated VE day in style!

Year 6 have been working really hard all year getting ready for their SATs tests next week, please remember that

SATs don't measure sports, SATs don't measure art.
SATs don't measure music, or the kindness in your heart ...
SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons you were put upon this earth.
SATs don't see your magic, how you make others smile,
SATs don't time how quickly you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse of who you really are.
So, sitting at your table, with a pencil and your test,
Remember SATs aren't who you are, remember you're the best.

All we ask is that you leave each test proud of what you have achieved, as we are all proud of you, (make sure you get some sleep this weekend!)

Thank you to the parents who attended Year 4's Ocean Maths this week, next week we have a week off with Year 3 Ocean Maths in the week beginning 19th May.

Next week is going to feel a bit odd as we have school for five full days and we need to be in uniform every day!!

Stronger Together,

Melanie Scull
