Friday 2nd May 2025

Week 29,

It has been a beautiful end to the week, with the sun coming out and really making it feel like it is the start of the Summer Term! It's been busy here as we saw the return of our final Ocean Maths cycle of the year. Sharman and Attenborough both welcomed in parents to see how well their children were working on various maths calculations. Thank you to all of the parents who attended! Next week will be the turn of Year 4; **Bevan Class is on Tuesday 6th May** and **Blackman is on Thursday 8th May, both at 9.10am.**

Year 5 tried to ease the heat on Thursday and today by holding a lolly sale in the playground after school! Not only was it a welcome relief from the heat, but all profits raised will go towards the Year 5 Tolmers trip which takes place at the beginning of June. Watch out for other Year 5 fundraising initiatives!

All of the Year 6 children have been working extremely hard in their classes and additional Booster Groups in preparation for their SATs which will be taking place during the week of the 12th May. We know how hard they are trying; it's the final push for them now and we wish them all the very best!

We had a local resident contact the school this week regarding an incident where a child ran out in front of their car and an accident was narrowly avoided. **Please remember that Trinity Street is still a functioning road at all times, including at drop off and pick up times. Please do not walk in the middle of the road and ensure that your children are crossing the road the same way they would any other; that's to say with great care.**

Next week on Thursday 8th May we will be recognizing the 80th anniversary of VE Day, which is the day that marks the end of the Second World War. We are asking the children to dress in 1940s style or wear something red, white or blue to school; the children will also be participating in some 1940s style games that I'm sure they will find very different to the types of games they play today!

On Friday 9th May, Nursery and Reception will be having a visit from 'Little City'! This will give them the opportunity to experience a 'mini' city and role play activities such as being a vet, a firefighter, a builder, a café owner and much, much more. I'm sure they will have a fantastic time! Thank you to FOCS for funding this opportunity!

A few dates for the diary / things of note:

- Monday 5th May: Bank Holiday Monday; school will be closed.
- Friday 9th May: Year 4 Sleepover; only children who have booked a place and paid can attend.
- Our Friday Coffee Mornings are continuing with the next one on Friday 9th May; special guests are attending from the Food Bank with information regarding volunteering, donations and other services.
- After School Clubs run by the school will begin next week; only children who have booked a place and paid can attend.
- Suncream: In this hot weather, we encourage you to apply suncream to your children before they come to school. Do not send bottles of suncream in with your children.

Wishing you all a fantastic Bank Holiday Weekend! Enjoy some (hopefully) lovely weather and we will see you on Tuesday at normal time!

Stronger Together,

Mr Hitchens
