Friday 13<sup>th</sup> March 2026

Week 24,

It's been a busy week here at Chase Side; the weather has got noticeably windier and we're hoping that the sun will maybe make an appearance for us next week!

Everyone looked very neat and tidy on Tuesday as we had our Class Photos taken. Every class in the school had their turn and practiced their beaming smiles. Information on purchasing your child's photo will be sent out as soon as we receive the go ahead from the photography company.

Monday, a group of Year 6 children (from Debating Club) went to the 'The Great Debate' competition which was held at St Michael's School. The ten children had been working extremely hard, preparing their arguments for why we should not have longer school days or that the voting age should be reduced to 16. Unfortunately, we did not make it through to the final but we tried our best and I am really proud of them. Next week they are going to try to convince me that school staff should also wear a uniform.

Today (apart from Nursery which will be Monday) you will receive a copy of your child's School Report. This is an important document that you should read carefully as it has important information regarding your child's performance at school in all areas. It will have targets for them to work on in certain areas of the curriculum. It will also be the base of any conversations you wish to have with their class teacher at the Parent Consultations. Once you receive the report, please complete the online survey to say you have received it and leave a comment if you wish [Annual Report 2026 – Fill out form](#)

Stronger Together,
