

Head Teacher: Miss Melanie Scull

Friday 24th January 2025

Week 18,

Another week comes to an end and once again we have been busy here at Chase Side – we've had to be in order to keep us all dry and warm!!! On that note, as the weather continues to be erratic, please remember to send your children in wearing appropriate clothing for the conditions.

Year 5 had their Ocean Math's sessions this week which went extremely well, it was lovely to see so many of you. Next week we have Ocean Math's sessions for Bevan at 9.10am on Tuesday 28th January and Blackman on 30th January at the same time. It would be great to see as many parents there as possible.

Year 4 have recently had a change of Ukulele teacher and we now feel that we are in a more positive position to have a Ukulele concert at some point nearer the end of the sessions (we have approx. 8 sessions left).

Year 3 have been busy getting ready for their Assembly next Thursday (not Friday as Garrett class will be swimming). Please check your class email for more details.

This week we have had our Relationships and Sex Education sessions that have all gone really well, remember that we keep all the information about these sessions on our website (within the Parent Workshop Presentation section) all year round so that you can check what we cover if your child surprises you with an unexpected question.

We have been sent information about 'Learning to Cycle' sessions that can be booked over the half term and a free 'Security Bike Marking' sessions which will be provided by the Dr Bike service that we had in school last term. Please see the attached flyers.

We know how difficult it can be to Co- Parent children so we have found an online course and support network that you can access if you are in this situation, please see the flyer attached.

A couple of dates for your diary:

- 30th January Year 3 Assembly (Thursday)
- 29th January Happy Bag Day
- 1st February FOCS Family Bingo
- 11th February Art Gallery
- 14th February Inset Day
- 17th – 21st February Half Term

Don't forget that we have weekly 'Coffee Morning's' every Friday in the Winter Hall at 9am, I know that lots of you appreciated being able to speak to our Educational Welfare Officer this morning about attendance.

Wishing you all a lovely weekend, stay warm whatever you are doing and see you on Monday morning!

Stronger Together,

Melanie Scull
