**Head Teacher: Miss Melanie Scull**

Friday, October 11<sup>th</sup> 2024

Week 5,

We are sailing through the first half term of this academic year; I can't believe it is only two more weeks until the Half Term Holiday!

We have continued with our Ocean Math's sessions this week, with Year 3 parents being invited in to see what their children have been up to in their lessons. Both sessions were extremely well attended; it was certainly a bit of a squeeze given the smaller size of the classrooms! Many thanks to all parents who attended. Next week we move on to Year 2, with **Shakespeare** having their Ocean Math's session on **Tuesday 15<sup>th</sup> October**, followed by **Dickens on Thursday 17<sup>th</sup> October**, both sessions starting at **9.10am**. We look forward to seeing just as many parents in attendance!

We had our third and final boy's football cluster of the year on Tuesday this week. The boys were unfortunate in both games, but they showed great determination and continued to play good football throughout.

We are having our annual flu spray visit on Wednesday 16<sup>th</sup> October please make sure that you have completed the online form that we sent you if you want your child to have the spray. [ncl.schoolvaccination.uk/flu/2024/enfield](https://ncl.schoolvaccination.uk/flu/2024/enfield)

FOCs are continuing with their 'Month of Friday's', today was toys and book with doughnuts next Friday. FOCs are also starting the preparations for the Christmas Fayre (23<sup>rd</sup> November), one of the raffle prizes is from Capel Manor and to get it I have to advertise their Halloween events (so see the attached flyer). The FOCs Happy Bag collection is also next Wednesday.

On Monday you will be getting a link to book a slot at the Parent Consultations in the week before Half Term. They are on **Wednesday 23<sup>rd</sup> October and Thursday 24<sup>th</sup> October**. It is important that you make every effort to meet your child's new teacher at this stage in the new term as it will give you a good indication of how they have settled and how you can help them with their learning.

We will have a focus on celebrating Black History Month from Monday until we break up for the Half Term Holiday. Each year group will be studying a different area of focus related to Black History and we look forward to the children sharing what they have learnt about these important topics with each other throughout the week.

We are holding a Book Fair on the 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> October in the main hall.

Keep your eyes open for the Northern Lights this weekend, if the skies are clear we should get an amazing view.

Stronger Together,

Miss Scull
