Week 1,

We have had a fabulous start to the new academic year, it has been lovely this week to see so many smiley faces and smart looking uniforms.

Nursery and Reception teams have been out visiting children who will be joining us next week for their first day at school ever! I'm sure that we all remember that day with the tears and excitement (and that was just the parents).

It has been very busy in terms of the Meet the Team meetings this week; I know that they seemed really early in the term but I know that you appreciate the information and parents of younger children like to get to know who their staff are as soon as possible. The presentations that were discussed during these meetings will be going up on the website along with all the Home Learning for this half term.

Clear communication is critical to making a school run smoothly, each week you can expect this email (normally on a Friday afternoon) and an email from your class account with specific updates for your child's class. If you do not receive the class email, then please email them directly using the appropriate email address (the Reception and Nursery accounts will start emailing from next week).

Once we have completed all of the Meet the Team meetings, we will be running test text messages, emails from the office and emails from the classes, so that we can work together to make sure that you are getting all of the information we are sending.

Clubs for this term are filling fast (with Gardening Club full within 30 minutes), you have until 9am on Tuesday 10th September to book your child a space.

Enjoy your weekend!

Stronger Together,

Miss Scull
