Week 31,

How can a week that has fewer working days seem so long? The answer to that is simple we cram so much into it. This week we have finished our booster sessions for Year 6, had Ocean Maths sessions for Year 3 and Nursery and Reception have enjoyed the 'Little City' experience (thank you to FOCS for paying for this).

Year 6 have been working really hard all year getting ready for their SATs tests next week, please remember that:

SATs don't measure sports, SATs don't measure art.
SATs don't measure music, or the kindness in your heart ...
SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons you were put upon this earth.
SATs don't see your magic, how you make others smile,
SATs don't time how quickly you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse of who you really are.
So, sitting at your table, with a pencil and your test,
Remember SATs aren't who you are, remember you're the best.

All we ask is that you leave each test proud of what you have achieved, as we are all proud of you, (make sure you get some sleep this weekend!)

There will be no Ocean Math's sessions next week, but we pick it up again the week after with Brunel on 19th May, Russell on 20th May and Fleming on 21st May all at 9.10am.

Enjoy your weekend!

Stronger Together,

Melanie Scull
