

Head Teacher: Miss Melanie Scull

Friday, May 22<sup>nd</sup> 2026

Week 33,

After another busy week we are at the end of another half term, this week we have had the final Ocean Maths sessions in Brunel, Russell and Fleming which were very well attended as always.

Today we have had Book Look sessions for Nursery and Reception families so that they can see the amazing work that their children have been completing.

Luckily the glorious weather appeared for our annual Year 5 Tolmers Trip. The campers have had a great time! They participated in numerous activities, including climbing, archery, water games and many more! They also learnt that sometimes you have to work for your food; all children at some point were involved in the preparation and clearing away of lunch and dinner! We are pleased to say that all of them survived (even the nights in the tents) and are now back safe and sound... (if you hear about a build up of traffic on Botany Bay that was Miss Scull in a broken-down Mini Bus with all of the children's stuff).

This year is rushing by and when we return after half term, we will be on the countdown to our Annual Summer Fair (Saturday 4th July), teachers will have the sign-up sheets for each classes stall after half term (but we are waiting for final confirmation of which stall each class will be running).

Rainbow day to support the Summer Fair is also coming soon, Friday 26<sup>th</sup> June 2026, please see the attached lists of donations that are needed for the Fair.

Stronger Together,

Melanie Scull
