Week Nine

Highlights for this week include:

- A very moving Last Post on Wednesday when Mr Liversidge played his trumpet and the whole school fell silent for 2 minutes.
- Seeing a wide range of pyjamas and huge smiley faces, thank you so much for your kind donations, they have gone into quarantine for 72 hours so we will have a count and let you know how much we have raised on Monday.
- Seeing Year 3 children enjoying their online learning for the first time today after we unfortunately had to lockdown their bubble.
- Being part of the Enfield Town Partnership Spelling Bee finals.

Thank you to all of the parents who are now wearing face coverings when they enter the school site to drop off or collect their child, you are helping to keep yourself and the rest of us safe.

Thank you for all of the Rainbow donations, FOCs would like to give all of the children the opportunity to visit the Secret Shop that we will set up in the week following the Christmas Fayre but we don't currently have enough items. If you have any new but unwanted gifts that you would be happy to donate to the secret shop if you could leave them with Miss Scull or Mr Hitchens on the gate (we need approximately 106 more gifts).

FOCs are busy organising an online Christmas Fayre on Saturday 5th December more details to follow as we are able to confirm the running order.

Next week is Science week, so ask your children about their class projects and challenges. Soon we are going to be launching a new section of Times Table Rock Stars which is called Numbots and is related to number bonds and designed for younger children so if your children are in Year 1 or Year 2 now keep your eye out for that letter. Plus, Reception we will be including you after Christmas.

This week we have been in the Enfield Town Partnership Spelling Bee finals, the competition was very hard and some really tricky words were attempted, our Year 1 and 2 team came joint second, but all children were commended on their manners and enthusiasm.

Please remember that we have an emergencies@chaseside.enfield.sch.uk email address if one of the children tests positive for Covid 19 over the weekend. It's better that we know as soon as possible so that I can contact Public Health England and let everyone involved know so that they can arrange any childcare that they might need.

Stay safe.
