Week Seven

Highlights for this week include

- Hearing about the children's memories of their time spent with Mrs Gear has been very moving, we all hope that she enjoys her extra time with her family and travels during her retirement.
- We have been hearing lots of positive updates on parent's consultations, I know that having these via telephone conversation is not ideal, but it has meant that we have been able to update everyone who requested a consultation.

Tomorrow is an Inset day and we will be spending the time practicing our live lessons (in case we have to lockdown any more bubbles) so on the first day back the children will be shown exactly what to expect if we have to self-isolate.

If you want your child to change from 5 days of school dinners to 5 days of packed lunch today is the last opportunity for you to email or call the office and let us know. Whatever your choice is it will need to stay that way until after Christmas.

Please hunt out any old bikes, over the break, that you may have as we are going to have Dr Bike visit after half term and they will be able to fix any small problems and suggest ways of fixing bigger problems.

Mr Millard is adding weekly sports update to his twitter feed, if you haven't started following him yet you can find him on <https://twitter.com/chasesidesports> he is trying to get 150 followers by Christmas!

FOCs have managed to source reconditioned computers to be donated to families who really struggled with the online learning over lockdown. You can either email FOCs directly or hand SLT the completed paper copy on the gate.

FOCs Online Christmas Fair is on Saturday 5th December. Rainbow day is going to be Friday 6th November more information about donations to follow.

Thank you for all the donations from the uniform sale, we managed to raise £110, we will try to make this a half termly event, as we know how quickly the children grow out of their uniform.

We still do not have access to our website to reinstate the information that we had updated. So, if you are waiting for Covid test results and you get a positive result over half term please email emergencies@chaseside.enfield.sch.uk out of hours as this email account will be checked. Do not use this email account for other requests or information. It is for emergency Covid 19 updates only.

I was sent this poem which I sure describes well what you are thinking about half Term.

T'was the week before half term and all through the land
The parents were trying to make up great plans
That don't involve meeting, or greeting, or places
That in these strange times don't resemble safe spaces
They look to the teachers, and all they have done
To make school inviting, inspiring and fun
To see past the problems, the issues and rules
To bring back the joy and excitement of school

Whatever you end up doing over half term please stay safe.
