Week Eleven

Highlights for this week include:

- Year 3 returning to school after some amazing online home learning with the Year 3 team.
- Starting home learning with Year 5, every time that we have to do this we try something new, so this afternoon we started online reading sessions that went well. We were learning about species that are endangered and in a different group something related to a town crier and some pigeons (I'm not sure exactly as Teams wasn't happy about me being in two rooms so kept removing me from one of them).
- We have been having some interesting Anti Bullying conversations in class this week, with the children discussing who to talk to if they feel insecure.

Related to the Christmas dates conversation that I started in the newsletter last week, we have been thinking about Christmas cards. The children will be able to bring Christmas cards on **December 4th only** and leave them in a box on the gate, different boxes for each year group. These cards will then be sorted and given out 3 days later to be taken home. The card envelopes will need to be set out in a special way to help us sort them.

Class Name	Year Group
Child's Name	

I have been asked several times about Christmas gifts for staff, you will be able to do this in the last few days, handing them over to staff when you come to collect the children. The last day this term for Nursery will be Thursday 17th December. Friday 18th December will be the last day for all other children at the normal collection times.

Thank you to everyone who contacted us about wanting a Christmas Dinner, today was the last day so next week we will be collating numbers and confirming dates and arranging payments for those children not entitled to a free school meal.

I have just been made aware of some social media issues in Year 6, please remember any electronic device belongs to you and you have the right to check it, also all social media has age limits. Be aware of what your child is doing online.

If you get a positive test result over the weekend please contact us using emergencies@chaseside.enfield.sch.uk so that I can contact Public Health England and let everyone involved know so that they can arrange any childcare that they might need.

Stay safe.
