Week Nineteen,

It is hard to believe that we are approaching the final week of this half term and we have hardly seen any of the children. I'm sure that we all agree that a decision needs to be made soon that will keep us all safe but give us an indication of when and how we are going to be able to get more of the children back to school, for their well-being and yours.

Please remember we do have staff on site, so if you have any concerns contact the school about these by phoning the office or emailing the class teachers. Then we can organise for different staff to call you or to arrange for Rosanna our Place2Be counsellor who is here on a Wednesday / Thursday to give you a supportive call.

Normally at this point in the year the staff are writing Annual Reports for the children in Years 1-6, but this year as we have not seen the children for a while I have asked them to wait and we will complete them after the children have had a significant amount of time back in school.

On Friday 12th February we were due to have a staff INSET day, but with the situation as it is we felt that it would be better to postpone this and keep the children in their normal routine but with a slight twist. The school will be open for the keyworker and vulnerable children and online learning will take place but we are going to have a different feel to the day. This will be different for each Year group so I will let the class teachers tell you what will be happening for your class next Friday.

Normally after Spring half term we have a shift in curriculum coverage, classes who had Spanish for the first half of the year switch to Music and vice versa. These changes will take place for online learning, so if you have been receiving live Music lessons these will shift to recorded sessions and the same for Spanish.

Any updates about covid symptoms or test results need to go to our emergencies@chaseside.enfield.sch.uk, this is also the email account to use if you feel that you are requesting a place in our keyworker and vulnerable children group. This email account is checked over the weekend.

Enjoy your weekend and stay safe.
