Week Five

Highlights for this week include

- Watching the Year 1 children interacting with their online learning, all of the teachers have been very brave and turned into Jackanory and Blue Peter style presenters. Well done to the children who spotted that I was hiding in the group and said good bye to me. Mrs Cleur in the Nursery has been sending you links to the meetings, please join her.
- Watching the mountain of donations for the Foodbank grow steadily, I'm really proud of our Chase Side community.

The rain yesterday definitely caught us unaware, but one of our children demonstrated great kindness, at the beginning of the downpour when we were trying to get everyone back inside he took off his coat to give it to another child who didn't have one, well done Roman I'm so proud of you.

The afternoon 5-minute collection slots seem to be a lot calmer thank you. Thank you Mr Francois for marking up the pavement so that we are all clear about spacing. It is great to see so many more of you wearing face covering when you collect the children, from Monday the staff on the barrier and gate will also be wearing them. Can I ask you all to wear face coverings when you are entering the school site to collect your children and remember only one adult should be entering the site to collect your children.

From Monday you will also see some of our Governors supporting with the supervision of the street barrier, they have offered to support for several reasons, so that you can get to know who they are

and get to know them a bit better as well as supporting the school as it is currently taking 75 hours per week to keep the site covid secure.

It is great to see so many of you on bikes and scooters making the most of the quieter road, but please remember that when you are on the site they need to be pushed not ridden, we almost had a bit of a collision with some speedy riders on the main playground yesterday.

The weeks are flying by and soon we will be organising Parent Consultations, these will need to be on the phone and if you are in Year 1 to Year 6 you would have received the letter by email today.

Thank you for all the wonderful donations that we have received for the food bank this week, they will be gratefully received and we will be boxing them up and sending them soon. We hope to repeat this for Christmas goodies nearer to December.

We are having a Happy Bag collection on Tuesday 13th October, we will be opening the main gate for you to leave any bags (they must be here before 10am) before you drop the children off in the morning. Please check out <http://www.happyschoolbag.co.uk/> for more information about what they do and don't collect.

Place2Be is now back up and running at school, if your child has any issues they would like to discuss please remind them to complete a Place2Talk form and Rosanna will see them all in turn.

If you are waiting for Covid test results and you get a positive result over the weekend please email emergencies@chaseside.enfield.sch.uk out of hours as this email account will be checked. Do not use this email account for other requests or information. It is for emergency Covid 19 updates only.

This week we were supposed to have meetings for Year 2 SATs, Year 1 and 2 Phonics Screening, Year 5 School Journey as well as Ocean Maths sessions. I have sent emails with PowerPoint presentations with the information for some of these and the teachers will be sending information about Ocean Maths sessions and in the future Reading Café sessions with their Friday email. If you have any questions, please email the people stated in the message. If you haven't been receiving these updates or the weekly email from your class, please give us a call.

Stay safe
