Week 23,

Finally, we have all the children back again and the building sounds like a school. We have heard of schools needing to ask bubbles to self-isolate already this week so please be very mindful of keeping your distance from each other when dropping off or collecting your child and make sure that whenever you enter the school site you have a face covering or exemption lanyard clearly displayed.

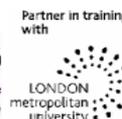

In relation to drop off and collection times please use your allocated 5-minute window to do this and be mindful that although we have the barrier at the end of the road it is not closed and cars with permits can still drive on the road.

Thank you to all families that completed the website questionnaire, we are currently looking at the results and making a decision about which provider we will be going with. In the mean time I will be rearranging some of the headings on our current website so if you are looking for something it may not be in the same place as it was before. Also we are looking for professional photographers to help us to get a set of dynamic photographs to use on the website that capture the values and ethos of the school, if that sound like you please get in contact.

It is Comic Relief Red Nose Day next Friday (March 19th) we are going to highlight this charity and how it supports families in the UK and across the world, your child can come to school on that day wearing a different coloured T Shirt (preferable red) and we hope that by asking families to make a small donation (buckets at the gate) we will be able to support the charity. Please note due to current restrictions the children will not be able to wear or bring Red Noses to school.

During World Book week last week we had a Potato Character Competition, the winners were announced in the achievement assembly today and as you can see below we had a varied range of entries. Thank you to all those who entered and well done to our winners.

<p>Nursery - Erin</p> <p>Rapunzel</p>		<p>Reception - Imogen</p> <p>The Very Hungry Caterpillar</p>

<p>Year 5 - Lily-Bea The BFG</p>		<p>Year 6 - Michal Miss La from The Girl of Ink and Stars</p>	

Before we reopened I sent you a link to a well-being questionnaire to find out how the children and yourselves were feeling about the return to school, if you completed the questionnaire for your child your class teacher will be emailing you tonight with a quick update of how the week went for your child. We will also be returning to weekly emails from your class teachers about how the week has been in general, please keep your eyes out for this tonight.

Those children in Attenborough class may have noticed that Mrs. Lewis has been with us all week this week. As the children have had such a difficult year due to the pandemic she has asked if she could teach them fulltime (and I for one am very grateful for this offer).

Attached to this email you also have information about a parenting course, please contact them directly if you are interested, information about Lateral Flow Device testing kits and details about a food bank.

Reminders

Any medication that has been prescribed needs to be spoken about with Mrs. Hammond before it can be administered at school, at the moment you cannot physically meet Mrs. Hammond but she will discuss the medication with you over the phone and complete any paperwork for you to sign.

If your child has dry hands (from all of that hand washing) they can bring a small container of hand cream in and

keep it in their pocket, this cannot be shared with other children and must not be medicated in anyway.

Quick reminder about PE days,

Class	Indoor	Outdoor
Reception	Friday	Wednesday
Year 1	Thursday	Tuesday
Year 2	Tuesday	Monday
Year 3	Wednesday	Tuesday
Year 4	Wednesday	Monday
Year 5	Monday	Thursday
Year 6	Thursday	Wednesday

Please remember that we do have a PE uniform, navy tracksuit bottoms or shorts (weather dependent) and yellow tops, I know that there are limited shops open at the moment but we do need to stick to our uniform expectations.

Mr. Millard’s multi sports clubs restarted this week, if you had booked a space for a sports club back in September these are the new days (they are due to run for 3 weeks in total before the Easter break).

Year Group	Day and Time
Year 3	Tuesday 3pm until 4.30pm
Year 4	Monday 3pm until 4.30pm
Year 5	Thursday 3pm until 4.45pm
Year 6 (Berners Lee)	Wednesday 3pm until 4.45pm

Enjoy what looks like is going to be a beautiful but windy weekend!

See you all on Monday!

Stay safe

Miss Scull
